

IMMACULATE CONCEPTION SOCIETY OF ST.VINCENT DE PAUL, COMMUNITY FOOD BANK, BOX 258 , HARBOUR GRACE, N/L AOA 3PO

The Society of St. Vincent de Paul, Harbour Grace Food Bank would like to thank all the parishioners who have supported us this year and the many years past.

We rely on your support to help the less fortunate. Last year we provided food to 587 families or 1210 adults, and 100 children.

We also provided Christmas hampers to 126 families, school supplies and back packs to St. Francis elementary. Advocacy is also provided to our clients when needed or requested.

We also twin with the St. Johns food banks to assist a SSVP food bank in the Philipians.

At present we have 21 active volunteers, and one Associate member. The need is always there for more volunteers, as this dwindles at different times of the year.

I would ask that you consider giving of your time to the food bank and in this regard you can contact any of our members or myself, Grant Koehler at 596-0514

GOD BLESS YOU FOR THE HELP THAT YOU PROVIDE.

Grant Koehler
