Dear Parishioners;

Our Parish has gone through many changes over the past few years and we, your Parish Council have been working to maintain your needs. As we move forward we felt the need, as any organization does, to determine who are our Parishioners and how we can best meet their needs. How best then can we communicate with them. Thus, we thought the best thing was to start at the beginning and ask each of you to provide us with your basic information. Believe it or not we, at the Parish, do not have addresses and phone numbers for most of our Parishioners. As well, email is now the preferred method and a very simple way for the Parish to communicate. This method saves time and does not cost postage, paper envelopes, etc. Once we have a complete list of Parishioners, with the click of a button we can send a message to all. This will be great for the various ministry lists, etc., again saving us time and money. We realize there may be some exceptions to email and we can work with those.

Please take the time to complete your form and return it to St. Joseph's Church or drop it off at the Parish office. Further, the registration form is posted on our website and you may complete it there and forward by email.

Thank you for your anticipated co-operation. If you have any questions please contact any member of your Parish Council or the Parish office.

Regards
