

Fuke and Council,

Our Irish visitors were highly impressed with the welcome they received when they attended Sunday Mass at St. Joseph's Church. Their participation in the liturgy, the warmth of the parishioners and the reception in their honor certainly went a long way in showing the Irish that our Community is truly a special place.

We know that all of this was the result of a concerted effort on your behalf, and we very much appreciate the extent to which the parish went to extend the hand of welcome and to reflect the parish and the community in its best light.

Thank you,

Eileen Lynn Goy Lona
