DIOCESAN REFUGEE PROGRAM

Because of the generosity of the People of the Diocese, a second refugee family has arrived in Newfoundland. Salah, Amina, and their two children, Ahmed and Madlin have reached Clarenville as refugees from Syria. The new family is currently setting up a home, getting organized for English language instruction, meeting different organizations and groups, preparing for winter in Newfoundland, etc. The new family is grateful for our sponsorship and have already met the congregation of Our Lady of Fatima, Clarenville. Thank you to all who have assisted in their sponsorship and are helping with their resettlement into Clarenville. More information will be provided later.
